Order:

The “Telugu Lalita Kala Thoranam”, is the biggest State-owned open air Theatre in the Public Gardens at Hyderabad. But it could not be used at least for six months, ie, during the rainy seasons. And even during the non-rainy seasons the audiences are not preferring it due to the prevailing sultry atmospheric conditions. Under the above circumstances, in order to put the “Telugu Lalita Kala Thoranam”, the biggest auditorium of 5000 audience capacity to full utilization throughout the year including the rainy season and to create a pleasant atmosphere to the audience free from sultry conditions, Government hereby order for construction of a roof to the auditorium under Public Private Participation with provision of fans, lights and other amenities. The names of the donors can be displayed in a prominent place in the theater.

Government, to have transparency in the effort, also order that the proposal be advertised suitably in at least two leading dailies (one Telugu and the other English) calling for willing participants and that the entire work shall be under the supervision / advice of the following technical committee, headed by the Principal Secretary to Government (Culture), YAT&C Department.
